RICHARDTIGWELL

Welcome to the Joseph Russell Stadium for this afternoon's early start to our season with an Emirates FA Cup Extra Preliminary Round tie against Eccleshill United. I would like to extend a warm welcome to The Eagles officials, players and supporters that have made the journey from Bradford today. The visitors already have a couple of games under their belt this season and we expect a tough match, hopefully one in the best tradition of the best cup competition in the world.

It is fair to say we come out of our preseason programme in a very positive mood. Ste Daley and his charges were presented with some challenging fixtures and while we have enjoyed some free-flowing football and plenty of goals it has been equally enjoyable seeing the lads challenged and rising to the occasion, as anyone at Jericho Lane will testify.

Yes, it is preseason and the results don't matter but it is these friendlies where we as supporters see those little signs that give us a little bit of a spring in our step going into the new season as we come out of a very challenging period for the club and non-league football in general.

At our AGM we announced a very important partnership for the club with Fortis Venues taking on the management of the stadium and grounds that will free the football club of that burden to focus on the team and playing activities. Our partnership has hit the ground running and the refurbished bar has already proven to be a hit with supporters and visitors alike and both boards are committed to taking Cables onwards and upwards.

Another big change is the switching of our award winning match programme to a digital edition. Making this change to The Walloper was not a decision made lightly and we hope you all enjoy the digital version as much as the print one. While there is nothing like having a printed match programme in your hands the interactive features and opportunities available with the digital format are well beyond what we could ever do with print.

Today, fingers and toes crossed sees the much anticipated debut of our new home kit. With supporters already having been able to buy the revolutionary recycleable shirt from our partners Hope & Glory the anticipation is palpable as we wait for our Pesky Bulls to take to the field in what we think you will all agree is another fine addition to our match kit history.

Enjoy the game

STEDALEY

As pre season draws to a close, firstly I would like to say a massive thank you to our fans who have turned out in good numbers to support us during what must be the wettest pre-season on record.

The fans are what make the club a special place and we are privileged to have the support of our special fans.

We have worked hard over the summer to prepare the team for a strong season. The lads have worked extremely hard throughout a tough pre-season which has transpired into positive performances on the pitch.

The team spirit is fantastic and the lads are really looking forward to a strong season.

Today brings back the magic of the FA Cup we are all excited and ready to get going.

We can't wait to get back out on the pitch with the support of our fans.

It's the perfect game to start the competitive season.

Let's go Bulls

Club History

The club was established before World War Two, but was disbanded due to the war. After reforming in 1948, Eccleshill United were members of the Bradford Amateur League - in the 1950s. The club won the Bradford Amateur League cup in 1962 and later moved up to the West Riding County Amateur League. Then reaching the Premier Division in 1972, and winning the league in 1977.

1982, the club applied to join the Northern Counties East League but were rejected. The 1984/85 season saw the club win the Bradford & District Senior Cup, and at the end of the Season, Eccleshill was accepted into division three of Northern Counties East League. The club made ground improvements to play in the league and in the following season, Eccleshill retained the Bradford & District Senior Cup. At the end of the 1985/86 season division three was abolished, and Eccleshill moved up to division two. They finished runners up in 1987, therefore being promoted to division one.

Eccleshill United bounced in and out of the premier division and division one from the late 80s through to the late 2000s. In 2014, the eagles won the west riding county cup, defeating Harrogate town in the final. The club's last promotion into the NCEL premier division, where they remain, was in 2018, when the eagles beat Grimsby Borough 3-2 in the playoff final. The 2021/2022 season was Eccleshill's best finish in the league coming 2nd and having a play off game against step 5 Kempton Rovers to try and win promotions to step 5. The game finished 2-2 after extra time and we lost 6-4 on penalties.

MATCHREPORT

LEEFISHER

It is fair to say that after a fairly leisurely first two (well one and half...) games of pre-season, Cables have hit the ground running; scoring a platitude of goals both home and away, with a number of the clubs' most familiar players chipping in with a goal or three! The Pesky Bulls became 'The Entertainers' in July, hitting the net an incredible 27 times in just 6 matches and averaging 4.5 goals per game!

Cables pre-season began on a sunny evening on 4th July, when over 450 fans were in attendance as we faced off against newly promoted National League North side, Warrington Town. The bumper crowd were treated to a first sight of Cables refurbished bar and clubhouse which had been given a complete makeover during the off-season; with many a delighted face to be seen as supporters rushed to be the first fans served at the new bar. On the pitch it was a stern test for Ste Daley's men and despite an encouraging start from Cables, The Wire's two division gap eventually told as they prevailed 0-2 on a glorious evening at the Joseph Russell Stadium.

We were back at home on Saturday 8th July for an 'International' friendly against Cymru North team, Holywell Town who made the journey from Flintshire on the back of a very encouraging 2nd place league finish in 2022/23. Again, Cables held their own against The Wellmen until the stroke of half time when the visitors took a 0-1 lead. Then, the heavens well and truly opened! Play was able to continue for a few moments until the half-time whistle, however the deluge continued with standing water in numerous places giving the referee no option but to call the game off (and stay dry!). So; One and Half games played, no goals scored, fitness levels improving, a few new faces tried out - it wasn't going to be long before things clicked for Cables, surely? Roll on Tuesday 11th July and a short trip over the Mersey Gateway to NWCL side Runcorn Town, managed by Cables friend and one-time gaffer, Lee Bignell. Cables started like an express train with first half goals from Cables 22/23 Player of the Season; John Murphy and a delightful free-kick from the enigmatic Kyle Sambor gave the Pesky Bulls a 2-0 lead at Half Time. The second half became 'The Kyle Sambor Show' as two further goals (including another free kick) and a missed penalty saw Sambor complete his hat-trick. Cables were up and running. Just 48hrs later, Daley's men were back in L34 as we hosted another NWCL side, Litherland REMYCA on a beautiful summer's evening in Prescot. In what was a fantastic game for the neutral; REMYCA started very well and were 0-4 up against a shell-shocked Cables at the 40 minute mark - cue an early exit to the club bar for many! Cables however instigated something of a comeback in the second half with the game ending 5-3 to REMYCA and an '8 goal thriller' for those in attendance.

No rest for the wicked, as Cables played their 3rd game in 4 days in a hastily organised midday game against Burscough FC, again of the North West Counties League on Saturday 15th July at the JRS. Naturally, the management rotated players in all of the pre-season friendlies but the usual faces were determined to pull on the shirt and play for the badge. Any tired legs were soon forgotten as Cables raced into a 3-0 lead after just 12 minutes with goals from John Murphy and Jay Foley. Cables proved to be just too strong for Burscough and the rout was completed in the second half which finished 7(Seven)-1 to Prescot Cables with doubles for Murphy, Charlie Glennon and a late strike from Jack Goodwin. With 14 goals scored in just 4 days the Pesky Bulls were really starting to hit their stride...

Next up was a visit to Otterspool on a somewhat cloudy evening on the bank of the River Mersey as Daley's men faced off against South Liverpool FC on Tuesday 18th July. It was great to see so many familiar faces from the Cables family making the trip down to Jericho Lane amongst a crowd of almost 200. The game didn't disappoint either, with The Pesky Bulls twice coming from behind to seal a late, late victory by the odd goal in five. A rocket from new-boy Ste Milne giving Cables victory after an OG and a Jay Foley penalty had brought us level in an even and entertaining encounter which also saw South Liverpool reduced to 10-men following a poorly timed lunge from the striker on Cables goalkeeper 'Trialist A'.

And so to the first of the clubs trio of fixtures against EFL opposition as Cables welcomed a Tranmere Rovers XI at the Joseph Russell Stadium on Saturday 22nd July. Buoyed by recent goal-scoring exploits, Cables yet again found their shooting boots and opened their account after 23 minutes when Charlie Glennon followed up Ste Milne's fierce effort. From then it was all about Cables midfield maestro and resident rapper, Tony Donaldson - who capped a fine display with a hat-trick of goals. Big John Murphy wrapped things up late on to seal a 6-0 Cables victory. After the game came the news that Donaldson had signed a contract with the club, tying him to Cables for the 2023/24 season - a real statement of intent from the club to ensure that their biggest assets remain with them as they look to push on for the new campaign.

Next up on Tuesday 25th July saw the visit of a young Morecambe FC side, the EFL League Two pros bringing mostly academy and youth players to the Joseph Russell Stadium. Cables were in no mood to take things easy, and having scored 23 times already in Pre-Season added a further 4 strikes from John Murphy (2), Ste Milne and the undisputed goal of 'pre' season from Kyle Sambor who netted an astonishing overhead kick in front of the Shed End terrace sending the crowd into raptures. Kyle's athletic effort subsequently going 'viral' with over 20,000 online views and counting! So that was July for Prescot Cables Football Club; 7 and a half games played - 27 goals scored! #FootyForAFiver proving excellent value all round!

Cables finished their Pre-Season campaign on Wednesday 2nd August at home to the Academy of EFL League One side, Wigan Athletic; the final score against The Latics being 2-1 with a fine effort from Alex Gofton and a Charlie Glennon penalty.

All in all, it has been a month of great encouragement for the club, as Ste Daley and his backroom team finalise their squad for the upcoming season. Lets hope those Pesky Bulls remember their shooting boots!

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

By Jon Couch

IT SEEMS like only yesterday when FC Halifax Town's Jack Senior held aloft the FA Trophy at Wembley to signal the end of the 2022-23 season. And what a campaign it was! At the very top of the pyramid, we'll probably never see of the like again; Wrexham and Notts County trading blows at the top of the National League table, both reaching well in excess of 100 points and scoring well in excess of 100 goals.

The Hollywood juggernaut stationed at the Racecourse Ground reached destination Football League first before the Magpies had to negotiate a few twists and turns in the play-offs before eventually joining them in dock. Under Phil Parkison and Luke Williams, both sides were absolutely outstanding, raising the bar for the rest to follow. But it wasn't just the National League which benefitted. A rippling effect from Step 1 all the way down took Non-League football to another level. All of a sudden, it wasn't just Wrexham A-listers Ryan Reynolds and Rob McElhenney getting all the attention, Non-League football had captured a wider audience – and for all the right reasons. So, with Wrexham and Notts County now switching their focus towards their League Two campaigns – where they are expected to compete at the top end once again – the question is can Non-League football use that platform to push on and raise the bar even further?

Well, it's certainly made an encouraging start. With this week's FA Cup Extra Preliminary Round in mind, nine leagues at Step 5 kicked off the new campaign last Saturday, July 29, drawing in decent crowds up and down the country. Undoubtedly, the biggest story of the day came at Bury FC, where almost 5,500 turned up to watch the newly-merged model of the old Bury FC and Bury AFC play their first ever league game at the town's spiritual Gigg Lane home for the first time in three years.

The biggest story of the summer, however, has centred around another famous old former Football League club – and sadly not for positive reasons. At one point, long-suffering Southend United fans feared the club's proud 117-year history may grind to halt this summer amid debts of £2.5 million. As fans protested outside the home of under-fire owner Ron Martin, the club were given extra time to clear a £275,000 tax debt and efforts to keep the Shrimpers in the National League were being made. Despite boasting a squad of just 10 senior players at one point, manager Kevin Maher finally got the go-ahead to begin the club's pre-season preparations and thanks to the hard work of supporters in tidying up the run down Roots Hall ground last weekend, a safety certificate was issued ensuring Southend could at least host their opening day game against Oldham Athletic this afternoon. Maher, of course, performed miracles in keeping Southend competitive in the top half of the National League last season amid impossible restrictions, but the Shrimpers will need to pull out all the stops once again if the Essex club are to challenge for honours again this time round. That said, with last season's big two gone, Non-League's top-flight has a much more open look to it this time around with a number of former EFL big guns eyeing a route back into the top four tiers.

Chesterfield has spent well in the summer and will start as favourites, but cash injections at the likes of Oldham, York City and Eastleigh will certainly keep the Spireites on their toes.

Last seasons relegated clubs – Rochdale and Hartlepool United – the former competing in Non-League for the first time – have got their houses back in order and will be desperate for an immediate return, while National League North and South champions, AFC Fylde and Ebbsfleet respectively, have momentum and ambition on their side.

The North, too, is wide open with Scunthorpe United spending big in a bid to put right the wrongs of last season's relegation, similarly Torquay United, Maidstone United and Yeovil Town who make the South division as competitive as it has been in years.

So, in the blink of an eye, August 5th is upon us and battle can at last commence. At the NLP, we feel your anticipation and will be with you every step of the way, taking you through the thrills and spills, the highs and the lows.

It promises to be another cracker so let the games begin.

HOUSE RULES

GROUND REGULATIONS

Welcome to the Joseph Russell Stadium

We hope you enjoy the match and your experience with us today. Prescott Cables is committed to ensuring attendance at our grounds is safe and friendly for everyone. Your entry to the ground shall constitute acceptance of these Ground Regulations. CCTV is in operation for your security and safety.

All persons entering the Ground must have paid the relevant admission charge or be in possession of a valid season ticket or match ticket. Proof of age, where an age concession is claimed, and proof of identity may be required and must be supplied on demand.

All spectators must respect and comply with any lawful instruction given by a steward or an officer of the club. Failure to do so will result in ejection from the ground. Stewards can and will take photos and/or video for purposes of security, safety and crime prevention which may be passed to the police.

The following are **arrestable offences** under the Football (Offences & Disorder) Act 1999

- Throwing of any object within the ground without lawful authority or excuse
- Chanting or shouting anything that is considered indecent, racist or homophobic
- Entry to the playing area
- Entry to any areas to which spectators are not generally admitted

Conviction could result in a football banning order affecting entry to all grounds in the country and surrendering of your passport whenever England are playing abroad. You will in the first instance be ejected from the ground and where appropriate a season ticket will be suspended.

The Club reserves the right to make changes to any of these Ground Regulations from time to time. The full Rules and Regulations can be found on our website.

Supporters must not:

- enter the playing area **at any time** unless invited to do so by a **club official**
- enter the tunnel area around the changing rooms
- sit on the pitch-side perimeter fencing during games

Any supporter wanting a photo with a player must wait outside the changing rooms after the game.

SHEDS&FENCES

As Prescott Cables Football Club is a Community Interest Club, we rely on local people helping out with many areas to keep things running smoothly on Matchdays. We have the basic building blocks in place to take our club to the next step.

However, it's only going to happen if we can grow the pool & skill-set of volunteers!

We're looking for help with the following activities:

Prescot Cables Media Team

Our match day media requirements include tannoy and PA announcements which are an important aspect of stadium safety commitments. We need help with radio commentary for matches for our senior teams as well as pre- and post-match interviews.

Social Media & Website

Help us promote the club and our matches and events via our social media channels. Experience isn't necessary for this varied role and plenty of support is available. We also need help with the writing of articles & match reports which can be used for the match day magazine and website

Club Merchandise

We need help selling our broad range of official Cables merchandise on match-days as well as help to fulfil orders received via our online shopping portal

Facilities

Help us keep the stadium in tip-top shape! If you've got carpentry, welding, mechanical or electrical skills please let us know! Some of our general maintenance jobs during the close-season will also include painting, tiling and plastering.

Match Day Stewarding

An important role on match-days! Stewards are the friendly face of the club, assisting visitors and supporters when and where needed, performing vital stadium safety tasks, responding to security issues and helping to ensure every visitor to the ground has a safe and enjoyable experience.

If you'd like to join our club's team of volunteers or can help out with any of the above, please speak to any member of the board or contact us via email at
